# Welcome

Dear Parents,

Welcome to Lanna International Summer School 2023/24

This handbook will provide you with information regarding our Summer School programme. It will outline subjects, expectations and general information about this year's programme.

This year's programme has been designed to challenge and motivate children through a balance of academic and practical activities, giving students numerous opportunities to have a fun but productive summer.

Our programme will be based upon the theme of 'The Olympics' using various inquiry based units from the school's International Primary Curriculum ([www.greatlearning.com](http://www.greatlearning.com)) in which the children will work collaboratively to explore, problem-solve and create as well as KS3 curriculum for our older students. Although there will be a heavy focus on oral learning, active learning and group tasks, the children will also spend time each day building upon their English and Mathematics across the various Key Stages.

We look forward to working with your child at this year's Summer School. If you have any questions or concerns, please do not hesitate to contact us.

Yours sincerely,

Sarah Reynolds

(Deputy Head of School, Primary Principal and Summer School Coordinator)

- Mr Matthew-Class Teacher

## Attendance

School starts at 08:30 each day and finishes at 15:00. If arriving late, leaving early or absent, please make sure to call the office in advance. The office will be open from 08:00 and will remain open until 15:30 each day.

## Arrival and Pick up times

Children may start to arrive from 08:00 at which time a duty teacher will be at the main school gate. All classes will be met in the playground by their teachers and then taken inside.

Children will be released in the cafeteria at 15:00. All children need to be collected by a specified adult.

Please inform the teacher in the morning if you have made arrangements for your child to be picked up by someone else at the end of the day. The school must be cleared by 15:30 each day as the school site will close.

# Lanna International Summer School Overview

## Aims and Objectives

Lanna International Summer School's goal is to provide a safe place where children can work, learn, and grow, while maintaining a safe, caring and creative environment. It will provide an appropriate balance of academic and creative hands-on activities through which children can develop, socially and academically during a summer of fun active learning.

## Water Fun!

Primary School children (Aged 5-8) will enjoy water fun in our paddling pool and splash area on a daily basis. As such, each child needs to bring their swimming costumes, towels and sandals each day. All swimming items will need to be taken home each day to ensure they are clean for children to use. Children (aged 9-14) will also enjoy water fun in our swimming pool. As such, each child needs to bring their swimming costumes, towels and sandals on the scheduled swimming days. All swimming items will need to be taken home after use.

## Lessons & Activities

The majority of the learning across the different Key Stages will be based upon the topic of Water and will involve using the following skills:

- Reading/Creative writing/Phonics /Language development.
- Applying Numeracy skills to solve problems
- Practical Science Exploration
- Art/design/crafts
- Physical Education/Water fun Lessons
- Information Communication Technology
- STEM and Technology

## Summer School Programme

### **Milepost 1 (Years 1 and 2) -Bringing Home Bronze**

#### The big idea

The Olympic Games are a global celebration of sport and achievement that brings together people from all around the world. Our school is going to hold its own Olympics, giving everyone the chance to celebrate their skills, work together as a team, and share their achievements with others. It's time to bring home bronze

### **Milepost 2 (Years 3 and 4)-Success with Silver**

#### The big idea

Almost three millennia after it was first ignited, the Olympic flame is burning brighter than ever. This unit will introduce children to the evolution of the Olympics over time, from its humble beginnings in Ancient Greece to its current status as a global celebration of human achievement. It's time to seek success with silver

### **Milepost 3 (Years 5 and 6)-Going For Gold**

#### The big idea

The Olympic Games are a global celebration of sport and achievement that aim to promote the values of friendly competition, peace and joy. As with every competition, not everyone can be a winner. We'll be finding out more about this as we explore the winners and losers beyond just the Olympic sporting events. Are you ready to go for gold?

### **Milepost 4 (Years 7 and 9)-Celebrations**

#### The big idea

When we work together and are courageous we can achieve a common goal. There is value in recognising and observing special events through ritual and with joy and happiness. .

## Important information for Parents

In line with our normal school policy, please be aware that parents are not allowed to take pictures of any children whilst on school premises.

Also, children are not allowed to bring smart watches to Summer School. If they do these will be collected at the start of the day by their teacher and given back at the end of the day. Primary students are not permitted to bring mobile phones into school at any time.

If parents want or need to contact their child then they can do so, through the main school office telephone numbers:

Lanna International School Office number: 052 000 838-9 (Int. +66-52-000-838)

We also ask that parents update us immediately if your contact details change.

Lanna has a firm but fair behaviour/pastoral policy which will be applied to all Summer School students and followed through. Parents are expected to read and go over the behaviour expectations for students and talk to their children before Summer School begins so that students know our expectations and follow them.

Should any student face any challenges with regards to relationships etc whilst attending Summer School we ask parents to inform us immediately so we can act upon any concerns. Do not approach any other student or parents of the student. Any incidents that happen at school will be dealt with following our Pastoral Policy and appropriate sanctions will be applied.

For any student who does not follow our code of conduct there will be appropriate sanctions which could include

- a behavioural log
- talking to parents
- sending home during the day
- rejecting of placement at Summer school-please note that if the decision is to reject the placement there will be no refund of fees paid.

## Behaviour Expectations for Lanna

- Students are not permitted to be in classrooms or areas where there is no member of staff at anytime.
- Students are expected to speak in English all the time-this is a universal language which we all speak.
- Students need to follow the Lanna Code of Conduct
  - respect others;
  - respect school property and the property of others;
  - complete assignments as assigned by the teachers;
  - be prepared with appropriate books and materials;
  - behave in a quiet and orderly manner when moving around the school buildings;
  - respect community standards regarding displays of affection;
  - respond courteously when talking with fellow students, faculty, staff members and visitors;
  - obey the established rules of the school;
  - respect the laws and customs of the Kingdom of Thailand, and
  - be a positive representative of Lanna International School in the community.

## Playground Behaviour

A safe campus environment for everyone must be maintained in the playground during play times. Students are expected to adhere to the rules and direction of teachers to ensure this.

Ball-games may only be played in the designated areas during the designated times.

Unacceptable behaviour in the playground includes

- rough role play games/play fighting,
- name calling, hitting,
- punching,
- kicking,
- swearing,
- spoiling somebody else's game,
- rudeness to staff,
- answering back,
- verbal abuse
- spitting.

Climbing on anything other than specifically designed climbing apparatus is strictly forbidden.
