

Learning will be based upon topics from the IPC which will follow a theme of The Olympics across the milepost and will cover subjects such as Science, Geography, History, Art and Technology

To make connections in our learning sections of our English and Math curriculum will be built into each area of study in order to practice, refine and develop core skills.

In addition the programme will involve using the following skills:

- Reading/Creative writing/phonics
- Language development/vocabulary
- Applying Numeracy skills to solve problems
- Practical Science Exploration
- Art/design/crafts
- Physical Education/ Water-based activities
- Information Communication Technology

## WHAT IS THE COST?

Total Cost for the three week summer school is 30,000 Baht for non Lanna students and 25,000 Baht for Lanna students This is an all inclusive fee and includes

- all tuition, lesson resources, activities, field trips, snacks and lunch.

**Important Note:** A place in our summer school is only assured once we are in receipt of the enrolment form and full payment.

## Summer School Mileposts 2021

### Milepost 1-Mascots as our Guides

#### The big idea

In this unit the children will learn about the Olympics. This will be their introduction to what are The Olympic Games. The Olympic Mascots, Mirai and Towa will be our guides as we learn about the host country, Japan. We will pretend we are in the Olympics and participate in various sports at Tokyo 2021 whilst we learn about good sportsmanship

### Milepost 2-Olympics: Bringing Home Bronze

#### The big idea

The Olympic Games are a global celebration of sport and achievement that brings together people from all around the world. Our school is going to hold its own Olympics, giving everyone the chance to celebrate their skills, work together as a team, and share their achievements with others. It's time to bring home bronze!

### Milepost 3-Olympics: Success with Silver

#### The big idea

Almost three millennia after it was first ignited, the Olympic flame is burning brighter than ever. This unit will introduce children to the evolution of the Olympics over time, from its humble beginnings in Ancient Greece to its current status as a global celebration of human achievement. It's time to seek success with silver.

### Milepost 4-Going for Gold

#### The big idea

The Olympic Games are a global celebration of sport and achievement that aim to promote the values of friendly competition, peace and joy. As with every competition, not everyone can be a winner. We'll be finding out more about this as we explore the winners and losers beyond just the Olympic sporting events. Are you ready to go for gold?

#### WHO IS SUMMER SCHOOL FOR?

Lanna Summer School is open to current Lanna students and non Lanna students aged between 5 and 14 years old who would like to improve their English language while having fun too.

Our summer school is very much a school, not a camp, with lessons focused on raising the level of each individual student's English.

#### ACTIVITIES

English lessons are a major focus of this summer school. This is very much a school and not a camp, but all students will also take part in a range of other fun and engaging activities, including:

- sports and games (futsal, basketball, badminton, and table tennis);
- swimming sessions (in Lanna's own huge pool);
- art and craft projects;
- ICT and media sessions;
- library activities and educational games.

#### Weekly FIELD TRIPS

Each week students are taken on fun, educational and cultural field trips to visit some of Chiang Mai's leading attractions and places of interest. All field trips are provided at no extra cost, and may include:

**Siam Insect Museum:** a fantastic insect museum with all kinds of exotic insects, butterflies and reptiles.

**Hidden Village:** a theme park with a wide range of activities, giant insects, and even life-sized dinosaurs.

**Poo Poo Farm:** Yuck! Poo Poo farm make paper products from elephant poop!

**Art in Paradise:** a popular art gallery with wonderful interactive and imaginative 3D pictures and murals.

**Chiang Mai Zoo:** the opportunity to see animals, including elephants, tigers, chimps and rhinoceroses.

**Chiang Mai Night Safari:** lots of exciting animals to see (rhinos, zebras, giraffes, and many more).

**Ob Kham National Park:** a relaxing picnic and a trek in this beautiful natural park in the mountains
